—OVERVIEW—

ANNOUNCEMENT OF LLP INCORPORATION & NEW INVESTMENT PLAN

INTRODUCTION

With all great pleasure and enthusiasm, BVK - Auxus Foodtech is moving into a more organised and corporate structure, incorporating into LLP (Limited Liability Partnership) firm. **Auxus Foodtech is now Auxus Foodtech LLP.**

BVK is now all set to execute its major Projects which were in the Planning stage over the last 6 months. Since the series of new Projects which are lined up for execution are of aggressive, trend-setting and revolutionary in nature, we wanted to ensure that the Company is fully compliant with all the Legal and Auditing aspects.

To make our existing Investment Plan legally compliant with respect to all Statutory Norms and Laws, we have made major changes keeping the interest of the Investors in mind as well as the Compliance and have launched the new Plan-3. The features of the new Plan-3 is detailed in a self-explanatory **Annexure-I.**

BVK is aiming to legally achieve the tag “**Brand funded by its own Customers**” and eventually go Public after a period of 3 Years, if we get all your support, wishes and love continuously. We wouldn't have come this far had we not got your unconditional love and trust. We take it as a responsibility to keep it up and ensure the growth of the brand is in line with your investment's growth.

In the new Plan-3 LLP Investment Plan, every Investor is being officially on boarded as Partners into our LLP firm and thus making the Investment in-line with legal compliance and also ensuring the Investment is returnable to the Investors at the time of their Exit. Please read footnote (4) in Annexure-I the next page for details on how the fund is being legally protected and channelised.

If you wish to join the new Plan-3, request you to go through the details in the next page and call us at **+91-7305678433** for detailed discussion or clarifications.
